Dear Your Excellency

The CFMEU writes to condemn the kidnapping and assault of Mansour Osanloo, President of the Syndicate of Workers of Tehran and Suburbs Bus Company. We understand this vicious attack occurred on July 10th.

In view of past persecution of Manour Osanloo, it is more than probable that your government is responsible for this attack.

The CFMEU demands that your government immediately ensure the release of Mansour and all imprisoned trade union activists in Iran. This type of repression brings the government of Iran into disrepute all around the world.

Yours faithfully

ANDREW FERGUSON
State Secretary.
