## KHOZESTAN

10/07/31

More than one thousand workers of the HAFT TAPEH Sugar-Cane Factory went on strike from 29<sup>th</sup> October. These workers said, "We will continue the strike until getting our claims."

As we have announced several times, the HAFT TAPEH'S labors are asking for investigating their problems but the Iranian capitalist government and the employers of this factory don't pay attention to workers' requests.

11/07/07

After abducting GHORBAN ALIPOOR who is representative of the HAFT TAPEH'S employees, so after summoning one more of workers' representative by the ministry of security, workers of this company, went on strike on 17<sup>th</sup> November. These workers have announced, "we will continue our protests if our representatives won't be released."

11/07/09

According to recent news, the Islamic regime court has issued two bonds for 120, 000, 00 dollars for GHURBAN ALIPOOR and MOHAMMAD HAIDARI who are representatives of the HAFT TAPEH'S Employees. The above-mentioned workers have been accused of taking action against the national security.

Islamic republic of Iran always uses unjust accusations for punishing workers' activists or other social activists.

## KHORAM ABAD

11/07/11

Employers of BISHEH'S Company discharged 35 workers in the above-mentioned city a few days ago. Witnesses say, "The employers want to fire other employees out in future."

**Thousands workers get fire in Iran yearly. In reality the regime economic policies give permission the Iranian capitalists to waste the workers' rights.**

## DIWANDAREH

11/07/11

On Sunday 11<sup>th</sup>, labors and drivers of SIAH ZAKH Dam stopped working and went on strike. Those workers have asked for investigating their problems. This dam is close to the city of DIWANDAREH.

According to sent news, SIAH ZAKH'S employees have not received any wages for months!

## SHAFT

11/07/11

More than forty workers who work for EMAM ZADEH Company, gathered in front of the governor's office of the above-named city. These workers asked for paying delayed salaries.

It is said that the EMAM ZADEH Company do not want to pay workers' wages and other benefits.

## SANANDAJ

11/07/13

**A big victory**

After workers' resistance against their employer's decision based on increasing work hours, and also after employers' complain, the department of labor issued its judge in the interests of workers.

As we already reported, the employer of SHAHO'S SPINNING Factory was going to increase work hours, but the workers stopped working and went on strike.

**11/07/14**

12 thousand factory workers, who work for KARON Sugar-Cane Factory, went on strike because of unpaid wages on 11<sup>th</sup> of November.

The reports say that in spite of managers' struggles for satisfying protesters, the workers continued to their strike until November 13<sup>th</sup>.

Most of the Iranian employers don't pay salaries to their employees on time that's why the Iranian worker's class challenges for getting delayed wages every day.

**KHOMAINI SHAHR****11/07/03**

The Islamic regime court punished a teacher named ESMAEIL AKBARI to Esfahan because he had joined the Iranian teachers' protests.

The Iranian school teachers protested against ministry of education rules in the course of past months. Should say these protests and challenges will be continued until the Iranian school teachers get their claims.

**TEHRAN****11/07/04**

Managers of the municipality of Tehran have fired two hundred workers out on 4<sup>th</sup> of November.

Those managers say, "We fired them because they did not hold in respect the Islamic orders."

According to the Islamic regime rules female and mail workers must accept the religious orders at their workplaces.

**ASALOYEH****11/07/04**

Reports say that workers of economic area of ASLOYEH stopped the Iranian president's car when he was visiting there on November 4<sup>th</sup>.

According to news, angry workers forced president of Iran to listen to their requests. It is necessary to explain that about 50 thousand labors and specialists were

working there but at present there are only 27 thousands workers in this economic area because of the regime anti workers rules.

**EVENTS AT WORKPLACES****11/07/07**

As the result of events at workplaces in the cities of Tehran, MASHHAD, YAZD and KHAF, five immigrant workers from Afghanistan lost their life.

Non-security at workplaces causes to be killed and injured thousands labors in Iran. Although Iranian labors have asked the ministry of labor and other the government departments to dissolve this problem but nobody takes care.

**NAISHABOR****11/07/08**

Representatives of workers of NAISHABOR'S Factories gathered in front of the social security's office because responsible(s) of NAISHABOR Social Security Hospital are going to transfer medical equipment of this hospital to another city.

The Islamic regime has cut off many social services in the course of past years. According to sent reports, the Iranian officials want to decrease the social services in Iran as faster as they can.
